Agenda Item No. 8(L)(6)

Subject: Resolution Amending Implementing Order 4-57 Adjusting the Toll Structure and Fees for the Rickenbacker Causeway

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve amendments to Implementing Order 4-57 which adjust the existing toll structure and fees for the Rickenbacker Causeway.

Scope

The Causeway is located within Commission District 7.

Fiscal Impact/Funding Source

This resolution raises the cash toll for two axle cars from \$1.50 to \$1.75 and for other vehicles as set forth in the accompanying proposed implementing order effective April 1, 2013. This increase is required to fund the Causeway's capital improvement program, including the priority repairs of the Bear Cut Bridge and West Bridge (Project), and will strengthen causeway reserves in order to facilitate the sale of bonds needed to fund these capital improvements. An end-of-year supplemental budget item will be brought to the BCC if necessitated by the Project.

Track Record/Monitor

The implementing agency is the Public Works and Waste Management Department (PWWM) and the person responsible for monitoring this project is Mike Bauman, Chief, Causeways Division.

Background

The approval of this resolution is contingent on the BCC's approval of a companion item waiving competitive bids for the repairs of the Bear Cut Bridge and the West Bridge on the Rickenbacker Causeway. The last causeway toll fee increase occurred in 2007.
